

SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

Title: 7-06110307 ACS Lite Interface with current ACTRA Signal Systems

Description: The Missouri Department of Transportation, District 6 has determined that only MoDOT's current central signal system (ACTRA), the existing communication infrastructure, can interface with SIEMENS signal controllers for specific product use of software, ACS Lite. Components of the project include software, installation, upgrades and modifications. This distinct project has been documented as fully and absolutely compatible with all current systems.
